Examples ExamplesSatisfactory identification are passport and driver's license. Your social security card is not an appropriate way of identification. Items such as study materials and a cell phone are not allowed in the test area. In addition, you can't use your mobile phone even when you take a break out of the test area. What happens after you take the exam? Approximately 10 days after testing, you can log in to your account for your score report. This free scoring report is visible online for 30 days. After this period of 30 days, you can buy a report that does not expire. How do I know I passed the exam? The NPTE score scale is 200-800. A score of 600 or higher is considered a passenger. What happens if I don't pass the exam? Although there is a slight variation in different jurisdictions, you usually get up to three odds in a 12-month period to take the exam. Another attempt at the exam can be the next scheduled test date. What is the best way to study? Studying for NPTE doesn't have to be difficult if you have all the features you need to effectively and efficiently do it. With this in mind, Mometrix has developed tools to put it in the right way. The NPTE Study Guide is written by test specialists whose goal is to ensure you succeed, and NPTE flashcards will promote your understanding of the material you will see in the exam.
